Duchy" Cazalet marks the end of an era—and the commencement of great change for the family. The long, difficult marriage of second son Edward to Villy has ended in divorce and Edward is contemplating wedlock with his longtime mistress, Diana. Hugh, the eldest son, wounded in the Great War and haunted by the death of his wife, Sybil, has finally found happiness with Jemima Leaf. Rupert, the youngest, who was missing-in-action during World War II, is now committed to rebuilding his relationship with his wife, Zoe. Rachel, who has spent a lifetime looking after others, has the chance to finally live for herself—even as she's faced with the loss of all she cherishes most. And Home Place, the beloved Sussex estate where the Cazalets have gathered for years, is now a beloved relic that, with its faded wallpaper and leaky roof, has aged along with its occupants, including faithful servants like Mrs. Cripps, Mr. Tonbridge, and former governess Miss Milliment, now steadfast companion to Villy. Elizabeth Jane Howard's critically acclaimed family saga comes to its conclusion as the Cazalets reflect on their past and begin the inexorable move forward.

For fans of *Downton Abbey*: A multigenerational saga of an upper-middle-class British family before, during, and after World War II by a bestselling author. As war clouds gather on England's horizon, the Cazalet siblings, along with their wives, children, and servants, prepare to leave London and join their parents at their Sussex estate, Home Place. Thus begins the decades-spanning family saga that has engrossed millions of readers. *The Light Years*: Hugh, the eldest of the Cazalet siblings, was wounded in France and is haunted by recurring nightmares and the prospect of another war. Edward adores his wife, a former dancer, yet he's incapable of remaining faithful. Rupert desires only to fulfill his potential as a painter, but finds that love and art cannot coexist. And devoted daughter Rachel discovers the joys—and limitations—of intimacy with another woman. *Marking Time*: Narrated primarily through the voices of teenagers Louise, Polly, and Clary, the second novel details the continuing story of their fathers. With the outbreak of war, Edward is determined to do his bit for England. But Hugh, injured in World War I, must sit back and watch other men fight for their country, including his brother Rupert, who enlists and goes missing in action. *Confusion*: As the world reels in the aftermath of Pearl Harbor, the Cazalets are dealt a tragic blow, and a new generation struggles to find peace with each other, a peace that seems to prove as elusive as it is in the larger world. *Casting Off*: The war is over, but for the Cazalets—and England—the challenges continue. Against the backdrop of a crumbling empire, the family soldiers on in the wake of disappointment, heartbreak, and tragedy. But the family comes together again as three generations of Cazalets struggle to hold onto Home Place, the beloved Sussex estate that has been their refuge and their heart. *All Change*: In 1956, the death of eighty-nine-year-old matriarch Kitty "the Duchy" Cazalet marks the end of an era—and the commencement of great change for the family. Cazalets have gathered for years, is now a beloved relic that, with its faded wallpaper and leaky roof, has aged along with its occupants. A rich historical read for those who love E. M. Forster, Evelyn Waugh, or *Downton Abbey*, this is the story of a family “[rendered] thrillingly three-dimensional by a master craftsman” (*The Sunday Telegraph*).

For fans of *Downton Abbey*, the second volume of the critically acclaimed Cazalet saga takes readers into the lives of an extended British family and their devoted retinue. It is 1939, and Hitler has just invaded Poland. The exigencies of wartime will force the Cazalets to make difficult choices as the older children are evacuated from London and settled in Home Place, their longtime Sussex summer estate. Narrated primarily through the voices of three Cazalet cousins—sixteen-year-old Louise and fourteen-year-old Polly and Clary—*Marking Time* details the continuing saga of their fathers. With the outbreak of war, Edward is determined to do his part for England. Hugh, crippled in World War I, must sit back and watch other men fight for their country, including his brother Rupert, who enlists and goes missing in action. The Cazalets’ story plays out against the greater drama unfolding on the world stage. Three young girls yearn for the freedom they believe adulthood will confer upon them in this tale of struggle and sacrifice, love and loss, as a new generation of Cazalets makes itself heard. With strong female characters such as the stoic Kitty; her daughter, Rachel, who’s in a relationship with another woman; and the loyal governess Miss Milliment, *Marking Time* explores the role of women during the war amid early stirrings of feminism.

This “dazzling” novel follows a family of English aristocrats as their country teeters on the brink of World War II (Penelope Fitzgerald). As war clouds gather on the distant horizon, Hugh, Edward, and Rupert Cazalet, along with their wives, children, and loyal servants, prepare to leave London for their annual pilgrimage to the family’s Sussex estate. There, they will join their parents, William and Kitty, and sister, Rachel, at Home Place, the sprawling retreat where the three brothers hope to spend an idyllic summer of years gone by. But the First World War has left indelible scars. Hugh, the eldest of his siblings, was wounded in France and is haunted both by recurring nightmares of battle and the prospect of another war. Edward adores his wife, Villy, a former dancer searching for meaning in life, yet he’s incapable of remaining faithful to her. Rupert desires only to fulfill his potential as a painter, but finds that love and art cannot coexist. And devoted daughter Rachel discovers the joys—and limitations—of intimacy with another woman. A candid portrait of British life in the late 1930s and a sweeping depiction of a world on the brink of war, *The Light Years* is a must-read for fans of *Downton Abbey*. Three generations of the Cazalet family come to unforgettable dramatic life in this saga about England during the last century—and the long-held values and cherished traditions that would soon disappear forever.

The final volume in the Cazalet Chronicle quartet. Opening in July 1945, this novel progresses through to 1947, following Rupert's life as he struggles with normality and the difficulty of finding his position back in the family. Polly, Clary and Louise also feature in the book.

The women of the Cazalet family carry on while WWII casts its shadow over England as the saga by the award-winning author of *The Light Years* continues. In the spring of 1942, after the attacks on Pearl Harbor have pulled America into the war, the world reels from the ever-increasing atrocities of the conflict. And in Sussex, at the Cazalet family estate known as Home Place, personal tragedies begin to take their toll. Polly, reacting to the untimely death of her mother, flees her comfortable surroundings accompanied her cousin Clary. But the bustling life of London proves a test not only for their ability to live on their own but also for their once-close relationship. Nineteen-year-old Louise believes she has found the man of her dreams in dashing naval officer Michael Hadleigh. After a whirlwind marriage and honeymoon, though, she begins to realize that being a young wartime bride is not the fairy tale she once presumed it would be. With Rupert still missing in action, his second wife, Zoë, struggles to maintain hope that her husband will one day return. But when a handsome stranger offers her solace, she finds herself drawn into an inadvisable but sorely needed affair. Confusion beautifully continues the sweeping family epic started in *The Light Years* and *Marking Time*, examining the struggles, passions, heartbreaks, and joys of three generations. Filled with profound reflections on a country torn apart by war and intimate glances into the lives of those left behind, this is a must-read novel for fans of *Downton Abbey* and lovers of wartime historical fiction.

It is the 1950s and as the Cazalets' beloved matriarch, the Duchy, passes away, she takes with her the last remnants of a world - of great houses and servants, of class and tradition - in which the Cazalets have thrived. Louise, now divorced, becomes entangled in a painful affair; while Polly and Clary must balance marriage and motherhood with their own ideas and ambitions. Hugh and Edward, now in their sixties, are feeling ill-equipped for this modern world; while Villy, long abandoned by her husband, must at last learn to live independently. But it is Rachel, who has always lived for others, who will face her greatest challenges yet... Events will converge at Christmas at Home Place; on which a new generation of Cazalets will descend. Only one thing is certain, nothing will ever be the same again...

Journeying backward in time—from 1950 to 1926—this masterpiece of women's literary fiction presents an indelible portrait of a marriage. Forty-three-year-old Antonia Fleming is preparing a dinner party for eight at the house in Campden Hill Square she shares with her husband,

Conrad. The occasion is the engagement of their son, Julian. Their other child, Deirdre, hates her father and resents her mother—a reality Conrad ponders, along with the disastrous state of Deirdre's single life, as he leaves the bed of his current mistress. In illuminating the quotidian details of domestic life, *The Long View* perfectly captures a long relationship, with its moments of joy and intimacy, loneliness and regret, and of the roads not taken. As the story moves backward in time, we learn about the events that led up to Conrad and Antonia's fateful first meeting—including a startling secret in Antonia's past. With brilliant use of reverse chronology, the bestselling author of the Cazalet Chronicles paints a realistic and revealing portrait of a marriage and the decisions, good and bad, right and wrong, that shape lives.

Slipstream brilliantly illuminates the literary world of the latter half of the 20th century, as well as giving a highly personal insight into the life of Elizabeth Jane Howard, one of our most beloved British writers. Born in London in 1923, Elizabeth Jane Howard was privately educated at home, moving on to short-lived careers as an actress and model, before writing her first acclaimed novel, *The Beautiful Visit*, in 1950. She has written many highly regarded novels, including *Falling* and *After Julius*. Her Cazalet Chronicles have become established as modern classics and were adapted for a major BBC television series and for BBC Radio 4. She has been married three times - firstly to Peter Scott, the naturalist and son of Captain Scott, and most famously and tempestuously to Kingsley Amis. It was Amis' son by another marriage, Martin, to whom she introduced the works of Jane Austen and ensured that he received the education that would be the grounding of his own literary career. Her closest friends have included some of the greatest writers and thinkers of the day: Laurie Lee, Arthur Koestler and Cecil Day-Lewis, among others.

In 1937, the coming war is only a distant cloud on Britain's horizon. As the Cazalet households prepare for their summer pilgrimage to the family estate in Sussex, readers meet Edward, in love with but by no means faithful to his wife Villy; Hugh, wounded in the Great War; Rupert, who worships his lovely child-bride Zoe; and Rachel, the spinster sister.
