Amada HA-250 - Anyone have Manuals??? I picked up an Amada HA-250 auto saw the other day, 1991 vintage - a friend is selling off a shop for a widow, and I thought I'd lend a hand and pass along a few bucks. Anyway, out of all of the old machinery, I think this was the only one that did not have any documentation. There are some old Bendix controlled machines with the documents, but not this ...

Para contribuir al conocimiento de la tradici ó n oral andaluza y ayudar a los recolectores del romancero en Andaluc í a se ha elaborado este Manual de Encuesta en el que se ejemplifica el repertorio concreto de romances m á s frecuentes de la comunidad aut ó noma andaluza.

Vols. 9-17 include decisions of the War Labor Board.

Speaking at a 1913 National Geographic Society gala, Hiram Bingham III, the American explorer celebrated for finding the "lost city" of the Andes two years earlier, suggested that Machu Picchu "is an awful name, but it is well worth remembering." Millions of travelers have since followed Bingham's advice. When Bingham first encountered Machu Picchu, the site was an obscure ruin. Now designated a UNESCO World Heritage Site, Machu Picchu is the focus of Peru's tourism economy. Mark Rice's history of Machu Picchu in the twentieth century—from its "discovery" to today's travel boom—reveals how Machu Picchu was transformed into both a global travel destination and a powerful symbol of the Peruvian nation. Rice shows how the growth of tourism at Machu Picchu swayed Peruvian leaders to celebrate Andean culture as compatible with their vision of a modernizing nation. Encompassing debates about nationalism, Indigenous peoples' experiences, and cultural policy—as well as development and globalization—the book explores the contradictions and ironies of Machu Picchu's transformation. On a broader level, it calls attention to the importance of tourism in the creation of national identity in Peru and Latin America as a whole.
