~~Quiz: Industrial Revolution – How it Began~~

While cities had their own problems (noise, disease, fire, and crowding to name a few), the Industrial Revolution and its economic boom enticed thousands of Americans to relocate to urban centers. Simply put, there were more job opportunities available in the cities than in the small farming communities in the South and the American frontier.

Answer: Che Guevara was a prominent communist figure in the Cuban Revolution (1956-1959) and later a guerrilla leader in South America. He spent many of his holidays traveling in Latin America, and his observations of the poverty of the people there convinced him that the only solution lay in violent revolution.
