Outlaw Jesse James: The Untold Story of Billy the Kid and Pat Garrett

The New York Times bestselling self-portrait of a flawed but determined Jesse James: rebel, outlaw, gearhead, artist, entrepreneur, lost son, and fiercely committed father. Jesse James is everything you imagined him to be—and more than you ever expected. He has led a violent life. He ' s survived lower depths, faced harder times, and beaten down more private demons than most—and lived to tell his story with honesty, introspection, and humility. He ' s tough as nails and riding hard through life, with plenty of wisdom to share about taking a hit and coming back up. In American Outlaw, Jesse reveals all: from his volatile upbringing and troubled relationship with his father to his wild days of car thieving and juvenile detention; from knocking heads as a rock ' n' roll bodyguard to his destructive drinking and barroom brawling; from building an empire from the ground up to marriages marked with both happiness and gut-wrenching pain; from living inside the hottest level of paparazzi hell to rehab and making peace with his past.

In this brilliant biography T. J. Stiles offers a new understanding of the legendary outlaw Jesse James. Although he has often been portrayed as a Robin Hood of the old west, in this ground-breaking work Stiles places James within the context of the bloody conflicts of the Civil War to reveal a much more complicated and significant figure. Raised in a fiercely pro-slavery household in bitterly divided Missouri, at age sixteen James became a bushwhacker, one of the savage Confederate guerrillas that terrorized the border states. After the end of the war, James continued his campaign of robbery and murder into the brutal era of reconstruction, when his reckless daring, his partisan pronouncements, and his alliance with the sympathetic editor John Newman Edwards placed him squarely at the forefront of the former Confederates ' bid to recapture political power. With meticulous research and vivid accounts of the dramatic adventures of the famous gunman, T. J. Stiles shows how he resembles not the apolitical hero of legend, but rather a figure ready to use violence to command attention for a political cause—in many ways, a forerunner of the modern terrorist.

Notorious for his widely publicized bank and train robberies, Jesse James will forever be known as the American outlaw and gang leader. James began his infamous career during the Civil War, as part of a group of Confederate guerrilla fighters in his native state of Missouri. But as the war ended, James turned his life toward crime and soon became a man on the run from the law. Joined by his older brother, Frank, and another set of brothers, James became one of the leaders of the famous James-Younger gang. As a group, these bandits ruled the West, terrorizing banks, stagecoaches, and railroads. Although James was feverishly hunted, he was never taken prisoner by US law enforcement. Instead, his career as an American outlaw was cut short when he was betrayed and murdered by a member of his own gang, Robert Ford. Already a celebrity when he was alive, Jesse James became a legend after his unforeseen death. With exciting text, vivid photos, and historical relics, Jesse James, part of the Wild West for Kids series, teaches kids why this one outlaw still fascinates people more than a century later!

1-Disc, Color, 94 minutes.

A collection of photographs pays tribute to the American rebel and the customized, hand-built motorcycles he creates, in a volume that looks at his choppers, his lifestyle, and his shop, West Coast Choppers.

Outlaw Jesse James: The Untold Story of Billy the Kid and Pat Garrett

A powerful novel of the infamous Western outlaw and his killer: " The best blend of fiction and history I ' ve read in a long while " (John Irving). By age thirty-four, Jesse James was already one of the most notorious and admired men in America. Bank robber, train bandit, gang leader, killer, and beloved son of Missouri— James ' s many epithets live on in newspapers and novels alike. As his celebrity was reaching its apex, James met Robert Ford, the brother of a James gang member—an awkward, antihero-worshipping twenty-year-old with stars in his eyes. The young man ' s fascination with the legend borders on jealous obsession: While Ford wants to ride alongside James as his most-trusted confidant, sharing his spotlight is not enough. As a bond forms between the two men, Ford realizes that the only way he ' ll ever be as powerful as his idol is to become him; he must kill James and take his mantle. In the striking novel that inspired the film of the same name starring Brad Pitt and Casey Affleck, bestselling author Ron Hansen retells a classic Wild West story that has long captured the nation ' s imagination, and breathes new life into the final days and ignoble death of an iconic American man.

Shot All to Hell by Mark Lee Gardner recounts the thrilling life of Jesse James, Frank James, the Younger brothers, and the most famous bank robbery of all time. Follow the Wild West ' s most celebrated gang of outlaws as they step inside Northfield ' s First National Bank and back out on the streets to square off with heroic citizens who risked their lives to defend justice in Minnesota. With compelling details that chronicle the two-week chase that followed—the near misses, the fateful mistakes, and the bloody final shootout on the Watonwan River, Shot All to Hell is a galloping true tale of frontier justice from the author of To Hell on a Fast Horse: The Untold Story of Billy the Kid and Pat Garrett, Mark Lee Gardner.

Traces the life of the renowned bandit, from his childhood in Missouri, through his years as guerrilla fighter and outlaw, exploring the development of his legend and the romanticization of his illegal deeds.

A deep investigation into historical documents that prove the notorious outlaw Jesse James faked his own death • Presents the legend of Jesse James and counters it with the real story, based on family records • Provides photographic evidence, a journal of Jesse James ' s, and historical records that prove James faked his death, verified by experts and civic authorities • Debunks the 1995 DNA test results of James ' s supposed remains The story of the notorious outlaw Jesse James ' s assassination at the hands of Robert Ford has been clouded with mystery ever since its inception. Now, James ' s great-great-grandchildren Daniel and Teresa Duke present the results of more than 20 years of exhaustive research into state and federal records, photographs, newspaper reports, diaries, and a 1995 DNA test in search of the truth behind Jesse James ' s demise. Explaining how the accepted version of the history of Jesse James is wrong, the authors confirm their family ' s oral tradition that James faked his own death in 1882 and lived out his remaining days in Texas. They methodically unravel the legend surrounding his death, with evidence vetted by qualified experts and civic authorities. They share the journal of their great-great-grandfather, kept from 1871 to 1876 and verified to be written in James ' s handwriting. They reveal forensically confirmed photographs of James before and after his supposed killing, including one of James attending his own funeral. Examining James ' s life both before and after his faked death, they provide an account of where he lived and who he associated with, including his interactions with secret societies. They compare the contradictory newspaper reports of James ' s death with accounts by his family and associates, which support that the man buried as James was actually his cousin, and reveal how James tricked authorities into believing he had been killed. Further supporting their claim, the authors debunk the DNA test results of the exhumation of James ' s body in 1995. The Dukes detail the ways in which the test was fraudulent, an assertion supported by the deputy counselor for Clay County at the time of the testing. Backed by a wealth of evidence, the descendants of Jesse James conclusively prove what really happened to America ' s Robin Hood.
