This is an excellent book on self-acceptance, performance-confidence, and gaining the respect of others. It is well written and short (100 pages) which helps in focusing on the development of the message. I think Hauck's presentation of the topic is sound and realistic. It includes many good examples from his work with clients.

Overcoming the Rating Game: Beyond Self-Love, Beyond Self ...

Feelings of inferiority are as universal as the common cold, and cause as many problems with health and happiness, says Paul Hauck. To help combat these negative feelings, he discourages individuals from rating themselves and encourages raising self-acceptance, improving skills, and gaining respect from others.

...

Beyond self-love Smith discussed that to explain the motivation for economic exchange in the market, we do not have to invoke any objective other than the pursuit of self-interest. In the most widely quoted passage from *The Wealth of Nations*, he wrote: "It is not from the benevolence of the butcher, the brewer, or the baker that we expect our dinner, but from their regard to their own interest.

Beyond Self-Love - Decline of the Empire

By only prioritizing self-care, and neglecting to try self love, I was doing the same thing to myself. I was convincing myself that all my needs were being met because I was going above and beyond to make myself feel good through treats and rest and bubble baths, but I wasn ' t getting to the true root of the problem.
