WORST Books I've Read Recently - Ranting Reviews ~~Bloodline Tom Thorne 8 Mark~~
Mark Billingham's Tom Thorne novels just get better and better. Bloodline is the eighth and like the first seven is a compulsive read. On the trail of a ruthless killer, Thorne is confronted by a psychopath who will stop at nothing to snuff out those on his kill list, including police officers.

~~Bloodline (Tom Thorne, #8) by Mark Billingham~~
The eighth book in the Tom Thorne series, from bestselling author Mark Billingham. When a dead body is found in a North London flat, it seems like a straightforward domestic murder until a bloodstained sliver of X-ray is found clutched in the dead woman's fist - and it quickly becomes clear that this case is anything but ordinary.

Sadly - but inevitably, i suppose - Mark Billingham has never quite managed to capture the excellence of the first two or three in the Tom Thorne series. This isn't bad and has some good moments. However, I have to say that I think he is wrong to narrate his books himself - he's a good writer but I find his narration flat and for me it detracts from a proper enjoyment of the book.
