Professor Kottak has done fieldwork in
cultural anthropology in Brazil (since 1962),
Madagascar (since 1966), and the United
States. In current research projects, Kottak
and his colleagues have investigated the
emergence of ecological awareness in Brazil,
the social context of deforestation in
Madagascar, and popular participation in
economic development planning in northeastern
Brazil.

"Cultural Anthropology" by Kottak is no different. The book has some fundamental flaws that warrant discussion. First, I think the book would benefit if it included an early chapter that introduced students to various anthropological theories. Since many anthropology texts fail to do this, I can't hold too much against Kottak for this negligence.
