"Based on the lexicon of William Gesenius, as translated by Edward Robinson, and edited with constant reference to the thesaurus of Gesenius as completed by E. Reodiger, and with authorized use of the German editions of Gesenius' Handweorterbuch euber das Alte Testament."

A trio of eminent Hebrew Bible scholars—Francis Brown, R. Driver, and Charles Briggs—spent over twenty years researching, writing, and preparing The Brown-Driver-Briggs Hebrew and English Lexicon. Since it first appeared, BDB has been considered the finest and most comprehensive Hebrew lexicon available to the English-speaking student. Based upon the classic work of Wilhelm Gesenius, the "father of modern Hebrew lexicography," BDB gives not only dictionary definitions for each word, but relates each word to its Hebrew Bible usage and categorizes its nuances of meaning. BDB's exhaustive coverage of Hebrew Bible, Hebrew words, as well as its unparalleled usage of cognate languages and the wealth of background sources consulted and quoted, render BDB an invaluable resource for all students of the Bible.

An essential tool for those using the Brown, Driver & Briggs Hebrew Lexicon, it helps you to quickly and easily find the right Hebrew word and discussion. This index lists in consonantal form every Hebrew word in the BDB, gives its general meaning, and notes the location of the entry in the Lexicon.

Based on the First, Second, and Third Editions of the Koehler-Baumgartner Lexicon in Veteris Testamenti Libros, this abridgment-provides everything the student needs to translate an Old Testament passage.

The Hebrew and Aramaic Lexicon of the Old Testament contains the complete vocabulary of the Hebrew Bible, extended with variants from the Oriental and Samaritan textual traditions, the Ben Sira fragments, the Dead Sea Scrolls, etc. It takes full advantage of the enormous advances that have been made in Semitic linguistics since the publication of older dictionaries like Gesenius and Brown-Driver-Briggs. User-friendly Another important advantage is that it offers a strictly alphabetical order of entries rather than an arrangement by verbal roots. This user-friendly feature makes the dictionary especially suited to the beginning student of classical Hebrew, but will also save the more advanced user much time. Specialist users will find here a wealth of bibliographical information on Old Testament exegesis. Most up-to-date dictionary The third edition of Ludwig Koehler and Walter Baumgartner's Hebrew dictionary is widely acclaimed as the most up-to-date dictionary for the Old Testament and related literature in biblical Hebrew and Aramaic. Wide range of users The complete and unabridged translation has been prepared by an international team of Hebrew and Old Testament scholars. Combining scholarly thoroughness with easy accessibility, the dictionary meets the needs of a wide range of users from the beginning student of biblical Hebrew to the specialized scholar in biblical studies, Semitic studies or ancient Judaism, as well as academic libraries, theological seminaries, and institutions. Volume 1: Aleph - Heth (365 pp.) Volume 2: Teth - Ayin (539 pp.) Volume 3: Pe - Sin (458 pp.) Volume 4: Shin - Taw (428 pp.) Volume 5: Aramaic. Extensive Bibliography (290 pp.)
