Bucket-filling is a term used in education to refer to positive attitudes and behaviour. It relies on the analogy that every person carries with them an invisible bucket . This bucket contains a person's feelings and emotions. When the bucket is full, this represents us feeling happy and contented. However, when it is empty, we feel low, upset and dissatisfied.

"Here's a delightful little book to warm the hearts of young children and teach them how to experience the joy of giving and receiving. Just think of all the little buckets this book will fill with love and encouragement." "Dr. Kevin Leman, author of Have a New Kid by Friday The day you were born was a very happy day. You are a special gift. Everyone was so happy to see you. But, there was one part of you that they could not see. It was your bucket, your invisible bucket. While using a simple metaphor of a bucket full of hearts and stars, authors Carol McCloud and Katherine Martin, M.A. illustrate, in the sweetest of ways, that we are all born with an invisible bucket and that our bucket holds all of our good thoughts and feelings. This book highlights the many ways that families and caregivers use to fill the buckets of children but also gives young children simple ideas on how to BE a bucket filler as well. This 24-page picture book is perfect for children, parents, grandparents, teachers and people that want to teach empathy, nurture kindness and create a positive environment in their home, classroom, workplace and community. Winner of 4 awards. For more information on bucket filling or free downloadables and resources, please visit bucketfillers101.com. This award-winning reissued book uses the letters of the alphabet to help readers see the many, simple ways that they can fill buckets and fill their own buckets in return. When you help children become bucket fillers, you give them the key to happiness...for it is in friendship, love, and good will to others that we are truly happy. Yes, bucket filling is the moment by moment choice to be kind and caring. Teaching and encouraging children to be bucket fillers is one of the greatest gifts you can give to them.

This heartwarming book encourages positive behavior by using the concept of an invisible bucket to show children how easy and rewarding it is to express kindness, appreciation and love by "filling buckets." Updated and revised, this 10th anniversary edition will help readers better understand that "bucket dipping" is a negative behavior, not a permanent label. It also explains that it's possible to fill or dip into our own buckets.

Ideal for home or classroom, this 32-page coloring book is a supplement to the award-winning, rhyming picture book. Educational and entertaining, this book offers hours of coloring fun as children engage with dozens of pages while learning all about bucket filling!

A simple question, Will You Fill My Bucket?, is fervently asked by children from twelve different countries. Sweet rhyming prose and vividly captivating illustrations delight the senses and express the deep joy and love we hope for all children. Will You Fill My Bucket? and the responses given will touch the heartstrings of people young and old around the world. Bucket filling, the essence of being loved and loving others, occurs in those little moments in a day when you stop and just listen, cuddle, play, or spend time with a child

An illustrated adaptation of the long-running bestseller How Full Is Your Bucket? (more than 400,000 copies sold) for kids | told through the story of a boy who learns a valuable (bucket filling) metaphor and watches it come to life as the day unfolds. Every moment matters. Each of us has an invisible bucket. When our bucket is full, we feel great. When it's empty, we feel awful. Yet most children (and many adults) don't realize the importance of having a full bucket throughout the day. In How Full Is Your Bucket? For Kids, Felix begins to see how every interaction in a day either fills or empties his bucket. Felix then realizes that everything he says or does to other people fills or empties their buckets as well. Follow along with Felix as he learns how easy it can be to fill the buckets of his classmates, teachers and family members. Before the day is over, you'll see how Felix learns to be a great bucket filler, and in the process, discovers that filling someone else's bucket also fills his own.

The latest release in the bestselling Bucket Fillers line takes the concept of bucket filling one step further--adding the idea that we also have an invisible lid. We "use our lid" to protect and keep the happiness inside our bucket. Offering charming illustrations with personified buckets, dippers, and lids, readers learn what gives happiness, what takes it away, and what protects it. This concrete concept helps children of all ages grow in understanding, kindness, self-control, resilience, empathy, and forgiveness. A valuable teaching tool for home, school, and life, this is a standalone or companion book to the other award-winning books by Bucket Fillers, Inc.

When Tiger comes to live with Halle, Halle must teach the new cat about bucket filling.
