commentary. The 6th edition of the Clean Needle Technique Manual for Acupuncturists reflects the efforts of educators and professionals in the acupuncture and Oriental medicine field to bring you the most up-to-date information available, including OSHA and CDC standards and is the definitive guide to the safe, clinical practice of acupuncture. It is the manual required by the Council of Colleges of Acupuncture and Oriental Medicine to be used in preparation for the Clean Needle Technique Exam. This exam is required for national certification, which in turn, is required by most states for licensure as an acupuncture and Oriental medicine professional. For 25 years, the National Commission for the Certification of Acupuncturists, Council of Colleges of Acupuncture and
