**A chance meeting between upper-class journalist Santiago Zavala and former chauffeur Ambrosio in a Lima bar-and-brothel generates multiple exposures of political and personal corruption and terror in modern Peru under military dictatorship**

**A Haunting tale of power, corruption, and the complex search for identity**
**Conversation in The Cathedral** takes place in 1950s Peru during the dictatorship of Manuel A. Odría. Over beers and a sea of freely spoken words, the conversation flows between two individuals, Santiago and Ambrosia, who talk of their tormented lives and of the overall degradation and frustration that has slowly taken over their town. Through a complicated web of secrets and historical references, Mario Vargas Llosa analyzes the mental and moral mechanisms that govern power and the people behind it. More than a historic analysis, *Conversation in The Cathedral* is a groundbreaking novel that tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation.

**A frightening and impressive portrait of evil by one of Latin America's leading contemporary novelists. 'A monumentally engrossing novel.'**
**Los Angeles Times**

**A Haunting tale of power, corruption, and the complex search for identity**
**Conversation in The Cathedral** takes place in 1950s Peru during the dictatorship of Manuel A. Odría. Over beers and a sea of freely spoken words, the conversation flows between two individuals, Santiago and Ambrosia, who talk of their tormented lives and of the overall degradation and frustration that has slowly taken over their town. Through a complicated web of secrets and historical references, Mario Vargas Llosa analyzes the mental and moral mechanisms that govern power and the people behind it. More than a historic analysis, *Conversation in The Cathedral* is a groundbreaking novel that tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation.

**Analyses Vargas Llosa's career as a writer and as an important cultural and political figure in Latin America and beyond.**

**Mario Vargas Llosa's brilliant, multilayered novel is set in the Lima, Peru, of the author's youth, where a young student named Marito is toiling away in the news department of a local radio station. His young life is disrupted by two arrivals. The first is his aunt Julia, recently divorced and thirteen years older, with whom he begins a secret affair. The second is a manic radio scriptwriter named Pedro Camacho, whose racy, vituperative soap operas are holding the city's listeners in thrall. Pedro chooses young Marito to be his confidant as he slowly goes insane. Interweaving the story of Marito's life with the ever-more-fevered tales of Pedro Camacho, Vargas Llosa's novel is hilarious, mischievous, and masterful, a classic named one of the best books of the year by the New York Times Book Review.**

**Haunting and transcendently twisted, this English-language debut from a Cuban literary star is a tale of race, magic, belief, and fate**
**The Stuart family moves to a marginal neighborhood of Cienfuegos, a city on the southern coast of Cuba. Arturo Stuart, a charismatic, visionary preacher, discovers soon after arriving that God has given him a mission: to build a temple that surpasses any before seen in Cuba, and to make of Cienfuegos a new Jerusalem. In a neighborhood that rolls with passions and conflicts, at the foot of a cathedral that rises higher day by day, there grows a generation marked by violence, cruelty, and extreme selfishness. This generation will carry these traits beyond the borders of the neighborhood, the city, and the country, unable to escape the shadow of the unfinished cathedral. Told by a chorus of narrators—including gossips, gangsters, a ghost, and a serial killer—who flirt, lie, argue, and finish one another's stories, Marcial Gala's *The Black Cathedral* is a darkly comic indictment of modern Cuba, gritty and realistic but laced with magic. It is a portrait of what remains when dreams of utopia have withered away.**

**A landmark collection of essays on the Nobel laureate's conception of Latin America, past, present, and future**
**Throughout his career, the Nobel Prize winner Mario Vargas Llosa has grappled with the concept of Latin America on a global stage. Examining liberal claims and searching for cohesion, he continuously weighs the reality of the continent against the image it projects, and considers the political dangers and possibilities that face this diverse set of countries. Now this illuminating and versatile collection assembles these never-before-translated criticisms and meditations. Reflecting the intellectual development of the writer himself, these essays distill the great events of Latin America's recent history, analyze political groups like FARC and Sendero Luminoso, and evaluate the legacies of infamous leaders such as Papa Doc Duvalier and Fidel Castro. Arranged by theme, they trace Vargas Llosa's unwavering demand for freedom, his embrace of and disenchantment with revolutions, and his critique of nationalism, populism, indigenism, and corruption. From the discovery of liberal ideas to a defense of democracy, buoyed by a passionate invocation of Latin American literature and art, *Sabers and Utopias* is a monumental collection from one of our most important writers. Uncompromising and adamantly optimistic, these social and political essays are a peaan to thoughtful engagement and a brave indictment of the discrimination and fear that can divide a society.**

**From the bestselling author of Meetings With Remarkable Manuscripts, a captivating account of the last surviving relic of Thomas Becket**
**The assassination of Thomas Becket in Canterbury Cathedral on 29 December 1170 is one of the most famous events in European history. It inspired the largest pilgrim site in medieval Europe and many works of literature from Chaucer's Canterbury Tales to T. S. Eliot's Murder in the Cathedral and Anouilh's Becket. In a brilliant piece of historical detective work, Christopher de Hamel here identifies the only surviving relic from Becket's shrine: the Anglo-Saxon Psalter which he cherished throughout his time as Archbishop of Canterbury, and which he may even have been holding when he was murdered. Beautifully illustrated and published to coincide with the 850th anniversary of the death of Thomas Becket, this is an exciting rediscovery of one of the most evocative artefacts of medieval England.**
