Moreno-Garcia blends magic in the real world seamlessly, so I'm excited to see her tackle the 1920s Jazz Age and Mayan mythology. My graduate studies before I went to library school focused on the history and politics of Central America, so I have always been fascinated by pre-Columbian traditions, myths, and histories.

Must Read New Fantasy Books of 2019 | Librarian Style
This book was frustrating - I loved the first two books in the series (Dark Prince, Dark Desire) but Dark Magic didn't work at all. It was very repetitive, with long passages in which the couple argue about the same petty issue back and forth for ages and nothing really happens.

Some say that it was destroyed in secret, while others believe that it still remains in Iceland, continuing to hide his dark book of magic. The story of the bishop, who became a master of black magic, has remained a well-known story in Iceland, passed down through the generations. But it is one which is rarely commented on by the Catholic Church.

Dark Books Magic Library

On bookshelves around the world, surrounded by ordinary books bound in paper and leather, rest other volumes of a distinctly strange and grisly sort: those bound in human skin. Would you know one if you held it in your hand? In Dark Archives, Megan Rosenbloom seeks out the historic and scientific truths behind anthropodermic bibliogey—the practice of binding books in this most intimate covering. Dozens of such books live on in the world’s most famous libraries and museums. Dark Archives exhumes their origins and brings to life the doctors, murderers, and indigents whose lives are sewn together in this disquieting collection. Along the way, Rosenbloom tells the story of how her team of scientists, curators, and librarians test rumored anthropodermic books, untangling the myths around their creation and reckoning with the ethics of their custodianship. A librarian and journalist, Rosenbloom is a member of The Order of the Good Death and a cofounder of their Death Salon, a community that encourages conversations, scholarship, and art about mortality and mourning. In Dark Archives—captivating and macabre in all the right ways—she has crafted a narrative that is equal parts detective work, academic intrigue, history, and medical curiosity: a book as rare and thrilling as its subject.

Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaries around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasure classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterpiece by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of Magical Rites from the Crystal Well "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic. . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of The Mists of Avalon "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's Complete Book of Witchcraft."—Dorothy Morrison, author of The Craft

Comically fast-paced, wildly imaginative, and with City of Lost Dreams—the bewitching sequel—on shelves now, City of Dark Magic is the perfect potion of magic and suspense Once a city of enormous wealth and culture, Prague was home to emperors, alchemists, astronomers, and, as it’s whispered, hell portals. When music student Sarah Weston lands a summer job at Prague Castle cataloging Beethoven’s manuscripts, she has no idea how dangerous her life is about to become. Prague is a threshold. Sarah is warned, and it is steeped in blood. Soon after Sarah arrives, strange things begin to happen. She learns that her mentor, who was working at the castle, may not have committed suicide after all. Could his cryptic notes be warnings? As Sarah parses his clues about Beethoven’s “Immortal Beloved,” she manages to get arrested, to have tantric sex in a public fountain, and to discover a time-warping drug. She also catches the attention of a four-hundred-year-old dwarf, the handsome Prince Max, and a powerful U.S. senator with secrets she will do anything to hide. And the story continues in City of Lost Dreams, the mesmerizing sequel, which finds Sarah in the heart of Vienna, embroiled in a new web of mystical secrets and treacherous lies.

When vampires around the world go beserk and attack the human population, Madame Xanadu mobilizes the team to intervene.

When the world around you turns dark, tap into the light. If you're having a hard time finding that light, facing trauma and division, or want to send healing vibes to a friend, the inspired, easy-to-do spells of Light Magic for Dark Times can assist. Luna Luna magazine’s Lisa Marie Basile shares inspired spells, rituals, and practices, including: A new moon ritual for attracting a lover A spell to banish recurring nightmares A graveyard meditation for engaging with death A mermaid ritual for going with the flow A zodiac practice for tapping into celestial mojo A rose-quartz elixir for finding self-love A spell to recharge after a protest or social justice work These 100 spells are ideal for those inexperienced with self-care rituals, as well as experienced witches. They can be cast during a crisis or to help prevent one, to protect loved ones, to welcome new beginnings, to heal from grief, or to find strength. Whether you’re working with the earth, performing a cleanse with water or smoke, healing with tinctures or crystals, meditating through grief, brewing, enchanting, or communing with your coven, Light Magic for Dark Times will help you tap into your inner witch in times of need.

EDIT: Updates for 2017! Added more spells, illustrations and a glossary. I compiled this Book of Shadows from a collection of spells I have been using since I started down my path. This book contains over 100 spells, a list of runes, how they can be used in spell casting and even crafting your own spells. I’ve collected these spells from several different sources, mostly from witches I have met in my travels and covers I have been a part of. I’ve tweaked a few of these spells to fit my needs from time to time and you can do the same as the words aren’t what give the spells power, your energy is what really matters, so feel free to do the same and change what you want to suit your own needs. The craft of Magic is a constant fluctuating living thing and our ancestors have borrowed, changed, and made from scratch what we practice today. I hope this book helps you grow as a person and a spellcrafter. -Brittany Nighthade -Brittany Nighthade

THE ordinary fields of psychological inquiry, largely in possession of the pathologist, are fringed by a borderland of occult and dubious experiment into which pathologists may occasionally venture, but it is left for the most part to unchartered explorers. Beyond these fields and this borderland there lies the legendary wonder-world of Theurgy, so called, of Magic and Sorcery, a world of fascination or terror, as the mind which regards it is tempered, but in either case the antithesis of admitted possibility. There all paradoxes seem to obtain actually, contradictions coexist logically, the effect is greater than the cause and the shadow more than the substance. Therein the visible melts into the unseen, the invisible is manifested openly, motion from place to place is accomplished without traversing the intervening distance, matter passes through matter. There two straight lines may enclose a space; space has a fourth dimension, and untrodden fields beyond it; without metaphor and without evasion, the circle is mathematically squared. There life is prolonged, youth renewed, physical immortality secured. There earth becomes gold, and gold earth. There words and wishes possess creative power, thoughts are things, desire realises its object. There, also, the dead live and the hierarchies of extra-mundane intelligence are within easy communication, and become ministers or Ætormentors, guides or destroyers, of man. There the Law of Continuity is suspended by the interference of the higher Law of Fantasia. But, unhappily, this domain of enchantment is in all respects comparable to the gold of Faerie, which is presumably its medium of exchange. It cannot withstand daylight, the test of the human eye, or the scale of reason. When these are applied, its paradox becomes an anticlimax, its antithesis ludicrous; its contradictions are without genius; its mathematical marvels end in a verbal quibble; its elixirs fail even as purges; its transmutations do not need exposure at the assayer's hands; its marvel-working words prove barbarous mutilations of dead languages, and are impotent from the moment that they are understood; departed friends, and even planetary intelligences, must not be seized by the skirts, for they are apt to desert their draperies, and these are not like the mantle of Elijah.

Acclaimed author Jennifer Gilmore’s intimate and achingly beautiful novel deftly explores the role that chance and choice play in shaping the lives of two teenagers who are separated by sixteen years, but whose lives are intertwined. “This emotional, visceral novel haunted me in the best ways. Jennifer Gilmore has written something of real depth, which will leave readers thinking for a long time about the lives that other people lead, as well as the ones they might have led. If only is gripping and shiveringly beautiful; a true achievement.” —Meg Wolitzer, bestselling author of The Interestings and Belzhar BEFORE: When Bridget imagined her life at sixteen, it didn’t look like this. She didn’t think that her boyfriend would dump her for another girl. And she certainly didn’t think that she would be pregnant. With just a few months until she gives birth, Bridget must envision an entirely new future—one for her baby. But as she sifts through the many paths and the many people who want to parent her child, she can’t help but feel that there is no right decision. AFTER: Ivy doesn’t know much about her birth mother. She knows that she is now the same age Bridget was when she placed Ivy for adoption. She knows that Bridget was the one who named her. And she knows that fifteen years ago Bridget disappeared from Ivy’s and her adoptive moms’ lives. Ivy wants to discover more about herself, but as she goes to find Bridget, she can’t help but feel that the risks might far outweigh the benefits of knowing where she comes from and why her birth mother chose to walk away.

This book covers a number of different topics, including Black Magic, lucky numbers and insight into dreams. Instructions are provided on how to be a spirit medium and hypnotize, among other things. It's easy to read and is as informative as it is entertaining.

Grimorium Verum & Ancient Grimoire of Dark Magic Now a Mysterious Book of Masters with Evocation Sigils! Filled with Full Color Talisman Sigils - This is not a book - It is an Occult Power Tool that Connects You to the Powers Held Within these Ancient Grimoires. Only Guild books offer this type of Initiation. Sigils Create Magical Powers Within Your Consciousness! Two Grimoire Sigil Books in One Volume!! As with all ancient grimoires it is critical to start with the best original copy available, as usual these are the French editions that have been changed and altered the least. Secondly, it is critical to have a translator that knows what the words mean beyond the crude word itself. To know the hidden occult meaning, hear the voice of the creator and manifest that into modern understanding. A master occult translator is needed, and he appears as Guild Grand Master Robert Blanchard. There are a lot of translations floating around the occult world, mostly taken from the original IGOS translations of 30 years ago. Sadly these have been added to, changed and terribly altered by uneducated ego driven occultists. Some were changed deliberately to mislead positive occultists. Only IGOS the professional Guild that it is, offers only quality unaltered grimoires and magical texts. Do not trust other translations offered by poorly trained occultists. Grimorium Verum is the classic text attributed King Solomon that actually originated several thousand years ago. This edition is dated 1517. But, goes back to ancient times. The grimoire is filled with authentic ancient magical practices and sigils of numerous spirits and their uses. Included are the original illustrations from the 1517 text and the original French edition from the same year. This is critical for safe proper use. Spirits for many purposes are detailed with their Sigils for evoking. Positive and negative spirits are detailed with their exact purposes. Including, finding hidden treasure, wealth, knowing who is loyal, weather control, power over women, cause earthquakes, make others dance, learn to teleport, see spirits, cause others to appear, manifest books of powers, resurrect the dead, open locks, cause illness, invisibility, cause sleep, learn the art of healing, power for making occult formulas, contact familiar spirits, wish granting, power over water, gift of writing, knowledge to defeat enemies, power to cause fires, control sleep, command love, brings women to you, win at gambling, power to break up relationships, and many more...YOU CAN ACCESS THE SPIRITS THAT CONTROL EVERYTHING LISTED AND MORE. It is all detailed in this amazing grimoire with Sigils that connect you directly to the Stream of Power that controls these spirits. These have never been offered before to the general public. This is the only grimoire of it's kind in the world! You can now access the ultimate power realms of the Spirit world in a powerful easy fashion..... Ancient Grimoire of Dark Magic, also known as the Black Books. This is a compiling of Dark Grimoire bits and pieces taken from the British National Library. It details the actual Black Masses and Rituals with Sigils and Words of Power. Lots of practical information in this text, most not seen before. Including, Black Art's Drugs and Ointments, Spells of Evil, Rituals of the Black Arts, Sex Magic and Modern Black Arts practices and Ancient Secrets. All taken from grimoires in the the British Library. Comes with Sigils to access the Dark Streams of Power... Must be used as directed for safety. Here Is What You Get.. A large format Full Color professionally printed Sigil book. Filled with never seen before Sigils that activate Occult Power Centers within your consciousness. A powerful easy to learn proven system. The book is activated to you personally, only you can access the empowerment in the book. Just owning the book starts an ancient Initiation process. And much more!
