From the millionaire entrepreneur and New York Times bestselling author of *The 10X Rule* comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to *Inc. Magazine*. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it

their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to: - Set crazy goals--and reach them, every single day. -

Feed the beast: when you value money and spend it on the right things, you get more of it. - Shut down the doubters--and use your haters as fuel. Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

social media marketing. It's a different approach, more one-to-one rather than one-to-many. It's these personal relationships that build revenue, and this book helps you master the methods today's business demands. Reach and engage customers online Provide value and insight into the buying process Learn more effective Social Selling tactics Develop the relationships that lead to sales Today's buyers are engaging sales professionals much later in the buying process, but 74 percent of deals go to the sales professional who was first to engage the buyer and provide helpful insight. The sales community has realized the need for change—top performers have already leveraged Social Selling as a means of engagement, but many more are stuck doing "random acts of social," unsure of how to proceed. Social Selling Mastery provides a bridge across the skills gap, with essential guidance on selling to the modern buyer.
