Search Tips. Phrase Searching You can use  
double quotes to search for a series of words  
in a particular order. For example, "World  
war II" (with quotes) will give more precise  
results than World war II (without quotes).  
Wildcard Searching If you want to search for  
multiple variations of a word, you can

# Online Library Introduction To Modern Nonparametric Statistics Higgins

substitute a special symbol (called a "wildcard") for one or more letters.
