Many things like climate change, lack of food, polluted water, and resource depletion would vanish almost overnight. Even many wars which are about resources would end immediately. If the earth's population were 2 billion instead of 7 billion, the overwhelming majority of today's issues would not exist. It's sad, but I agree.

Getting promoted in the fire service is not an easy process. Many people have that desire to promote, but for whatever reason cannot put the pieces together to make it a reality. Over the 20 plus years I have been in the fire service, I have had the opportunity to be on both sides of the promotional process - as a candidate, and as a rater and proctor. This book will assist fire department personnel specifically prepare for their next promotional exam. Promotional candidates will be exposed to and offered key points for the most common tasks and events within a fire department promotional process including, but not limited to: promotional preparation, completing the application, resume preparation, the written exam, the
