This text is aimed at non-specialist students of business law on a variety of courses. It is written in a simple and approachable style and provides regular opportunities for student self-assessment in the form of quizzes and questions with answers.

This book covers the core topics which appear most frequently on syllabuses and examination papers, and stresses the fact that law operates in the context of society and affects people on a daily basis.

Law for Business Students is the popular textbook for introducing legal concepts to non-law students in a practical, engaging way through real-life cases relevant to the business world. A clear explanation of the study of law and study skills leads into the main core topics of law: contract (including intellectual property), tort, employment and business organisations (including formation), governance and dissolution. The book also includes a range of features to aid understanding, applying and analysing legal concepts: - Scenarios – to encourage development of opinions and application of relevant legal concepts. - Worth thinking about – discussion points to analyse within the classroom. - Exam tips – pointing to areas of the law which are ripe for questions in an exam, to help revision practice. - Chapter summaries – to reinforce learning of key concepts. - Key terms – highlighted in margin notes. - Review questions with answers – self-test questions and worked exam examples to consolidate knowledge, encouraging students to apply the law and boost confidence. - Advanced questions – to challenge students in developing knowledge of the law. This 12th edition has been fully updated and also provides restructured coverage of negligence, with dedicated chapters covering negligence and special duty situations and product liability. Clear and concise, it provides accessible coverage of the fundamental legal principles and an understanding of the practical application of the law to the business environment. Additional instructor resources to accompany the book are available at go.pearson.com/uk/he/resources Alix Adams is a barrister with over 30 years' experience of teaching law from GCSE to degree and postgraduate level. Stephanie Caplan is a barrister and a Senior Lecturer at Kings Business School, Kings College London and Westminster Business School, University of Westminster with extensive experience in teaching law at both undergraduate and postgraduate level and with a special interest in employment law. Graeme Lockwood is a Senior Lecturer in Business law at Kings Business School, Kings College, London with a broad range of teaching experience both at undergraduate and postgraduate level and on executive business courses. 'A highly accessible and clearly written book for non-law students.' Stuart Peck, Senior Lecturer in Law, London Metropolitan University
'Adams' book provides a sound core text for business students encountering the law for the first time.' Dr Cheryl Dolder, Specialist Associate Lecturer in Law, University of Kent
'The book clearly introduces principles of law to both law and non-law students in a manner which is easily understood and applied.' Sukhninder Panesar, Associate Head of the Department of Law, Coventry University
'The book is written in a way that is accessible to non-law students. It makes relatively complex legal principles easy to understand.' Nicola Smithers, Senior Lecturer in Law, The University of Northampton
Alix Adams' market-leading Law for Business Students is a firm favourite with business students for explaining the law in a jargon-free, engaging style and exploring the law firmly within the business world in which it operates. The text

follows a six-part structure, beginning with an introduction to the study of law for those new to the subject, and then outlining each major area of legal concern in business including contracts and sales, liability, employment, corporate organisation and intellectual property. This eighth edition has been fully updated to reflect all major changes and developments in the law. Catering for a range of learning styles, Law for Business Students clearly outlines the main legal rules and cases. It uses business examples and topical news stories to reinforce understanding and demonstrate the practical application of the law. A broad variety of end-of-chapter resources ensures that you understand the key terms and issues covered in the chapter and gives you an opportunity to apply your knowledge in questions and activities relating to each topic. The full-colour page design clearly identifies each learning feature to help you get the most out of your study. MyLawChamber Join over 10 million students benefitting from Pearson MyLabs.
