Medical Gas Medical Gas copper fittings manufactured by Conex Banninger are scientifically proven to assist in killing pathogenic microbes in the medical, pharmaceutical, food preparation and other health sensitive areas.

~~Medical Gas — Conex Banninger~~

Medical Gas Cylinders. Medical gas cylinders may be used for convenience or just be kept as a back-up to a fixed pipeline supply. Historically, many medical gas stores have been located in isolated or disused buildings with only basic security measures in place. This has led to medical gas cylinders being targeted by thieves for both their scrap metal value and contents.
