For me, two things stand out from these studies: (1) the millennial generation is going to dramatically reshape the workplace, and (2) there is much work to be done to ensure their smooth integration into business. Thankfully, that work has started in some areas as evidenced by a Dell-sponsored workshop that I reported on in January.

How millennials are reshaping work - Direct2Dell

Millennials are joining the workforce when there are countless companies and newly-forming startup jobs available daily, so they don't feel the need to stay working at a company whose values don't align with their own. Focus on being ethical and fair, and creating a mission that works to make the world a better place.
