The essential guide to survival plan essentials! The key to being prepared is to have the things you need ahead of time—before an emergency happens. During these uncertain times, there is no such thing as being over prepared. With the huge range of potential disasters to prepare for, it can be overwhelming trying to decide which items are best to include in your survival plans. The Family Preparedness Buyer's Guide is an all-in-one guide to essential equipment that meets all basic survival needs. Applying this information to your survival plans will ensure your loved ones will be provided with adequate shelter, water, food and then some in a variety of emergency situations. Inside you'll find: • Chapters arranged by survival category—survival kits; emergency shelter, fire and clothing; lighting and power sources; hydration and water purification; emergency food and cooking gear; multipurpose tools, first aid and hygiene; survival knives and cutting tools; communication and navigation tools; and survival guns. • Lists of specifications for various disaster products so you can compare across brands and models and select the gear that is right for you • Detailed feature articles for each gear type so you understand why the gear is essential before purchasing anything • Reviews of specific gear and survival-related products When you are prepared, you're not just hoping for the best, you're planning for the best possible outcome no matter what life throws at you. Begin preparing today.

For women who enjoy hiking, camping, backpacking, and other outdoor recreation or those inspired by Cheryl Strayed's Wild, this is the definitive guide to being a woman in the great outdoors. This friendly handbook covers the matters of most concern to women, from “feminine functions” in the wilderness to how to deal with condescending men, as well as the basics of wilderness survival tailored to women's unique needs. It includes gear lists in addition to advice for camp setup, fire building, food and water, safety, weather, and navigation.

Fill your iPad with cool apps with help from this full-color directory! The popularity of the iPad is growing at an unstoppable rate and users are looking for help sorting through the tens of thousands of apps available in the App Store. A guidebook of half and full-day walks in the lovely Haute Savoie mountains of France. This guide describes 30 circular routes of between 7 and 13km, based around Evian-les-Bains, Morzine, Abondance, Chatel, St-Julien-en-Genevois, Bellevaux, Boège and Habere-Poche. Graded from easy to difficult, there are walks to suit most abilities, but a few have some exposed sections and need a head for heights. The guide is divided into 6 areas covering the Saleve and Vuache, the Vallee Verte, the Vallee du Brevon, Pre-Alpes du Leman and Val d'Abondance. With highlights including Cornettes de Bise, Mont de Grange, Dent d'Oche and Pic Bore, the walks in this guide will show you a quieter, less busy side to this outstandingly beautiful area. Alongside a detailed route description and map, each walk has a summary of all you need to know before you set out (distance, time to walk, ascent, maximum altitude and instructions for accessing the start). The guidebook includes advice on travel, accommodation and equipment, as well as information about local wildlife and Savoyard food and drink, and a glossary of useful French words. A companion volume, Walking in Haute Savoie: South, is also available (ISBN: 9781852848118)

A guidebook of walks in the lovely Haute Savoie mountains of France. This guide describes 30 circular routes of between 7 and 20km, based around Annecy, La Clusaz, Grand Bornand, Plateau d'Assy, Samoëns, Sixt, Sallanches, Thônes, la Roche-sur-Foron. Graded from easy to difficult, there are walks to suit most abilities, but a few have some exposed sections and need a head for heights. The guidebook is divided into 6 areas covering the Arve Valley, the Haut Giffre valley, the Chaîne des Aravis, Plateau de la Borne and Lake Annecy. Alongside a detailed route description and map, each walk has a summary of all you need to know before you set out. There is advice on travel, accommodation and equipment, as well as information about local wildlife and Savoyard food and drink, and a glossary of useful French words. Visitors flock to the Chamonix area and the Mont Blanc range, but that is only part of what the Haute Savoie has to offer. With stunning views of high mountains as well as lower peaks to enjoy, the walks in this guide will show you a quieter, less busy side to this outstandingly beautiful area. A companion volume, Walking in Haute Savoie: North, is also available (ISBN: 781852848101)

If you plan to operate a ham radio pedestrian mobile station, this is the book for you! This handbook will guide you through all phases of designing, building and operating your PM station. This is the second edition of my handbook. You will notice some changes from the first edition. The first change is in the battery chapter as most of the charging information has been deleted from that chapter. The chapter on Military Radios has also been deleted from the text. There are numerous books on this subject. I have also added a chapter on tuning your PM station and another chapter on weather and the environment. I have also included a new chapter on what most people call,

"Apps." With the explosion of mobile devices in society, hams now also use their smart devices at home and most other places they visit. I've added some cool apps for use out in the great outdoors. Also look at the new chapter I added on stretching.

What really wows iPad fans is when their touchscreen does what's impossible on other gadgets: the finger-painting app that turns a cross-country flight into a moving art class, the mini music studio (two-dozen instruments strong, each with motion-induced warble effects), and the portable fireworks display that you sculpt by swiping. Problem is, with tens of thousands of apps available for your iPad, who knows what to download? You can try to sort through a gazillion customer reviews with a mix of 5- and 1-star ratings, but that's a head-hurting time-waster. The stakes are getting higher, too: instead of freebies and 99-cent trinkets, the price of iPad apps is steadily creeping up and beyond their iPhone predecessors. Best iPad Apps guides you to the hidden treasures in the App Store's crowded aisles. Author Peter Meyers stress-tested thousands of options to put together this irresistible, page-turner of a catalog. Inside these pages, you'll find apps as magical as the iPad itself. Flip through the book for app suggestions, or head directly to one of several categories we've loaded up with "best of" selections to help you: Get work done Manipulate photos Make movies Create comics Browse the Web better Take notes Outline ideas Track your health Explore the world No matter how you use your iPad, Best iPad Apps will help you find the real gems among the rubble -- so you make the most of your glossy gadget.

With over 250,000 apps to choose from in Apple's App Store, you can make your iPhone or iPod Touch do just about anything you can imagine -- and almost certainly a few things you would never think of. While it's not hard to find apps, it is frustratingly difficult to find the best ones. That's where this new edition of Best iPhone Apps comes in. New York Times technology columnist J.D. Biersdorfer has stress-tested hundreds of the App Store's mini-programs and hand-picked more than 200 standouts to help you get work done, play games, stay connected with friends, explore a new city, get in shape, and more. With your device, you can use your time more efficiently with genius productivity apps, or fritter it away with deliciously fun games. Play the part of a local with brilliant travel apps, or stick close to home with apps for errands, movie times, and events. Get yourself in shape with fitness programs, or take a break and find the best restaurants in town. No matter how you want to use your iPhone or iPod Touch, Best iPhone Apps helps you unlock your glossy gadget's potential. Discover great apps to help you: Get work done Connect with friends Play games Juggle documents Explore what's nearby Get in shape Travel the world Find new music Dine out Manage your money ...and much more!

Presents a guide to the apps that are available for the iPhone and iPod Touch.
