This volume of twelve essays with useful bibliographies, in the fields of history, art, religion, literature, anthropology, political science, and law, documents the history of United States scholarship on Japan since 1945.

A compact guide to the Japanese language compiled especially for the foreign resident or visitor, providing quick, painless Japanese for basic needs. The book includes numerous illustrative sentences.

This book analyzes US-Japan relations amidst the changing nature of power and international relations. Chapters explore the relative successes and shortcomings of American liberalism and Japanese Neomercantilism, the bilateral trade duels over finance, high technology, agriculture, and other industries, and the costs and benefits of foreign investment and military spending. The book concludes with suggestions for a systemic and radical overhaul of American policies toward itself, the global economy, and Japan.

"An excellent reference work on the subject."—Library Journal (starred review) For fans, culture watchers, and perplexed outsiders, this expanded edition offers an engaging tour of the anime megaverse, from older artistic traditions to the works of modern creators like Hayao Miyazaki, Katsuhiro Otomo, Satoshi Kon, and CLAMP. Examined are all of anime's major themes, styles, and conventions, plus the familiar tropes of giant robots, samurai, furry beasts, high school heroines, and gay/girl/fanboy love. Concluding are fifteen essays on favorite anime, including Evangelion, Escaflowne, Sailor Moon, Patlabor, and Fullmetal Alchemist. Patrick Drazen is an anime historian who lives in Bloomington – Normal, Illinois.

The 1980s have shown the two superpowers, the Soviet Union and the United States, to be economically vulnerable. The race to acquire the skills needed in the twenty-first century is led by the Japanese, and if the promise of a unified market, scheduled for 1992, is fulfilled, the European Community will become an even greater economic force. China has enlisted EC countries to aid her ambitions; her increasingly educated population and untapped natural resources make China an emerging superpower.

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Say sayonara to your fears of learning Japanese with the updated premium edition of this fast, painless guide The updated third edition of Japanese DeMYSTiFieD provides you with the comprehensive, step-by-step educational experience that has made the DeMYSTiFieD language series such a success. This established, unintimidating approach to speaking, reading, and writing a new language takes the mystery and menace out of the learning process, whether in class or at home. Hundreds of quiz and test questions, chapter-opening objectives, and specific recommendations for difficult subtopics and individual weaknesses help you learn basic grammar structures and verb tenses, pronunciation, essential vocabulary, and how to communicate with confidence. In addition to DeMYSTiFieD ' s time-tested strategies, this edition features 70 minutes of streaming audio recordings and chapter review quizzes via the unique McGraw-Hill Language Lab app, so you can enhance your study via mobile or online, at home, in class, or on the go.
