Jeremiah Reskin has big plans for tenth grade—he wants to make some friends and he wants to take a girl's shirt off. It's not going too well at first, but when he meets a group of semibohemian outcasts, things start to change. Soon he's negotiating his way through group back rubs and trying to find the courage to make a move on Renee Shopmaker, the hottest girl in school. At the behest of his composition teacher, Jeremy's also chronicling everything in his own novel—a disastrously ungrammatical but unflinching look at sophomore year.

"All the men I did get to know, every single man of them, has filled me with but one desire: to lift my hand and bring it smashing down on his face. But because I am a woman I have never had the courage to lift my hand. And because I am a prostitute, I hid my fear under layers of make-up." --Excerpt

When her best friend dares her to become part of the popular crowd and record her experiences in a diary, fifteen-year-old Mimi's world turns upside down when the diary gets into the wrong hands. Original.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

A heart-wrenching but deeply funny and ultimately uplifting story of family, love, loyalty, and hope—a captivating look at the wonders and absurdities of human life . . . as only a dog could tell it

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

The 25th-anniversary edition of "a novel that in the sweep and inevitability of its events...is a major contribution to Native American literature." (Wallace Stegner) In the Two Medicine Territory of Montana, the Lone Eaters, a small band of Blackfoot Indians, are living their immemorial life. The men hunt and mount the occasional horse-taking raid or war party against the enemy Crow. The women tan the hides, sew the beadwork, and raise the children. But the year is 1870, and the whites are moving into their land. Fools Crow, a young warrior and medicine man, has seen the future and knows that the newcomers will punish resistance with swift retribution. First published to broad acclaim in 1986, Fools Crow is James Welch's stunningly evocative portrait of his people's bygone way of life. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This practical book contains over 100 different speaking exercises, including interviews, guessing games, problem solving, role play and story telling with accompanying photocopiable worksheets.

In Native American tradition, a warrior gained honor and glory by "counting coup" -- touching his enemy in battle and living to tell the tale. This is a modern story of... COUNTING COUP In this extraordinary work of journalism, Larry Colton journeys into the world of Montana's Crow Indians and follows the struggles of a talented, moody, charismatic young woman named Sharon LaForge, a gifted basketball player and a descendant of one of George Armstrong Custer's Indian scouts. But "Counting Coup" is far more than just a sports story or a portrait of youth. It is a sobering exposé of a part of our society long since cut out of the American dream. Along the banks of the Little Big Horn, Indians and whites live in age-old conflict and young Indians grow up without role models or dreams. Here Sharon carries the hopes and frustrations of her people on her shoulders as she battles her opponents on and off the court. Colton delves into Sharon's life and shows us the realities of the reservation, the shattered families, the bitter tribal politics, and a people's struggle against a belief that all their children -- even the most intelligent and talented -- are destined for heartbreak. Against this backdrop stands Sharon, a fiery, undaunted competitor with the skill to dominate a high school game and earn a college scholarship. Yet getting to college seems beyond Sharon's vision, obscured by the daily challenge of getting through the season -- physically and ps

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.
