procurement function. This process includes activities like ordering, expediting, receiving, and fulfilling payment. Listed below are the steps in the purchasing process:

Procurement vs Purchasing: What's The Difference?

Read PDF Purchasing Selection And Procurement For The Hospitality Industry

Let's clarify any confusion on the difference between procurement and purchasing. Procurement deals with the sourcing activities, negotiation and strategic selection of goods and services that are usually of importance to an organization. Purchasing is the process of how goods and services are ordered.
