To stop the apocalypse, homicide detective Alexandra Jarvis is forced to partner with Aramael, a hunter of the fallen angels, and together they must capture Aramael's brother, who is wreaking bloody havoc in the mortal realm, and send him back to eternal exile.

When homicide detective Alexandra Jarvis is assigned a new partner in Aramael, a Guardian Angel who doubles as a hit man, they have only one thing in common: a fallen angel hell-bent on triggering the apocalypse. Now they have no choice but to work together-relentlessly, fearlessly, intimately. Because only they can stop the rogue angel from ushering in the end of days.

A GRIGORI LEGACY NOVEL From the author of Sins of the Angels and Sins of the Son comes the newest novel in the "electric, thrilling and extremely intelligent" (Ex Libris) Grigori Legacy series. Heaven and Hell are on the brink of war as Lucifer builds his Nephilim army and waits for his new weapon to be born -- a Nephilim child of his own bloodline to lead his forces to cataclysmic victory. With rumors of the pending war rampant on Earth, Alex Jarvis fights to save humanity from its own panic -- leaving little time for her fledgling relationship with Seth, the man with heavenly origins who has captured her heart. But when Nephilim children begin to disappear, along with Alex's own vulnerable niece, the inevitable war between Heaven and Hell becomes personal. Heaven has its own plans to fight the coming apocalypse, but first it needs Seth back. Asked to betray the man she loves, Alex must turn for help to the soulmate she thought she'd given up -- the Archangel Aramael, who may be her last chance to save her family and humanity from the ashes of Lucifer's Armageddon. Don't miss the other Grigori Legacy novels, Sins of the Angels and Sins of the Son.

Aramael is sent to stop a fallen angel's murderous rampage in the mortal realm-and to keep the stubborn human police officer hellbent on catching him out of his path. But when unexpected tensions flare between him and Alexandra, who has an uncanny ability to see him for who he really is, both Aramael's mission and his soul are in jeopardy.

When homicide detective Alexandra Jarvis sees a photo of Seth Benjamin on a police bulletin, she knows that Heaven's plan to halt Armageddon has gone terribly wrong. As the only mortal who knows of

Seth's true nature, only she can save him. Aramael was a hunter of Fallen Angels until a traitor forced him into earthly exile. Now, with no powers and only a faint memory of Alex, his mortal soulmate, he will stop at nothing to redeem himself—even if it means destroying Seth in the name of the Creator...

Heaven and Hell are at war, and the clock is ticking. Homicide detective Alexandra Jarvis's niece is missing. Her sister has descended into madness. And the human race is caught in a relentless spiral toward self-destruction that Alex is desperate to stop. Now Michael, the Archangel she holds responsible for Earth's plight, has returned—and he's demanding her help to track a missing god. Heaven is losing. Fighting for the very survival of his own realm—and that of humanity—Michael's only chance to defeat Hell lies in returning Heaven's long-lost daughter to her throne before it's too late. But first he'll have to convince Alex to help him—and to keep her out of Seth's clutches long enough for her to do so. There can be no right choices. In order to save both their worlds, Alex and Michael must put aside their animosity and find a way to work together in the face of increasingly impossible decisions...and unimaginable sacrifices.

One hard-as-nails cop. Two supernatural armies on the verge of war. Four edge-of-your-seat thrillers that readers are calling "brilliant, awesome and evil!" Sins of the Angels Detective Alexandra Jarvis is up against a serial killer unlike any she's ever known. The body count is rising. She has a new partner intent on getting in her way—and under her skin—at every turn. But nothing about either killer or partner is what it seems, and what she does now could very well trigger a war of apocalyptic proportions. Sins of the Son The last thing Alexandra Jarvis wants is to get involved again in the ongoing tug-of-war between the One and Lucifer—until Heaven's best chance to prevent war turns up on Earth, and she has no choice but to help him stop Armageddon. But with the forces of both Heaven and Hell ranged against them, her fight to save him might just topple the world into the very chaos she's trying to prevent. Sins of the Lost Heaven's last hope has abandoned his post, leaving the world hovering on the brink of destruction unless Alexandra Jarvis can convince him to return to his place. But just as she's making headway, an agent of Hell gets involved and old jealousies return with a vengeance. If she can't turn things around, Alex could well lose the battle for humanity—and her soul. Sins of the Warrior Alexandra Jarvis's niece is missing and pregnant with Lucifer's child, her sister has descended into madness, and humanity is caught in a relentless spiral toward self-destruction. In a last, desperate bid to stop Armageddon, Alex teams up with the Archangel Michael himself. But in the face of increasingly impossible choices and unimaginable sacrifices, they may have run out of time.

Set in the secluded world of cloistered abbeys, long-lost secrets and angelic humans, Angelology has all the makings of a blockbuster hit, combining elements of The Da Vinci Code and Kate Mosse's Labyrinth Sister Evangeline was just a young girl when her father left her at St. Rose Convent under the care of the Franciscan Sisters of Perpetual Adoration. Now a young woman, she has unexpectedly discovered a collection of letters dating back sixty years - letters that bring her deep into a closely guarded secret, to an ancient conflict between the millennium-old Society of Angelologists and the monstrously beautiful Nephilim, the descendants of angels and humans. Rich and mesmerizing, Angelology blends biblical lore, mythology and the fall of the Rebel Angels, creating a luminous, riveting tale of one young woman caught in a battle that will determine the fate of the world.

"Did rebel angels take on human bodies to fulfill their lust for the "daughters of men"? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews, and Christians but later condemned by both rabbis and Church Fathers. Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch's forbidden mysteries. She demonstrates that Jesus and the apostles studied the Book of Enoch and tells why Church Fathers suppressed its teaching that angels could incarnate in human bodies. Fallen Angels and the Origins of Evil takes you back to the primordial drama of Good and Evil, when the first hint of corruption entered a pristine world—earth. Contains Richard Laurence's translation of the Book of Enoch, all the other Enoch texts (including the Book of the Secrets of Enoch) and biblical parallels."
