-- celebrate events in the story. This version of The Ramayana is told from the perspective of Sita, the queen. After she, her husband Rama and his brother are exiled from their kingdom, Sita is captured by the proud and arrogant king Ravana and imprisoned in a garden across the ocean. Ravana never stops trying to convince Sita to be his wife, but she steadfastly refuses his advances. Eventually Rama comes to her rescue with the help of the monkey Hanuman and his army. But Rama feels he can't trust Sita again. He forces Sita to undergo an ordeal by fire to prove herself to be true and pure. She is shocked and in grief and anger does so. She emerges unscathed and they return home to their kingdom as king and queen.

However, suspicion haunts their relationship, and Sita once more finds herself in the forest, but this time she is pregnant. She has twins and continues to live in the forest with them. The story is exciting and dramatic, with many turns of plot. Magic animals, snakes, divine gods, demons, sorcerers and a vast cast of characters all play a part in the fierce battles fought to win Sita back. And in the process the story explores ideas of right vs. wrong, compassion, loyalty, trust, honor and the terrible price of war.

associated with the most unjust act of abandoning her in the forest to protect family reputation. This seems a deliberate souring of the narrative, made even more complex by Ram's refusal to remarry despite the pressure on royalty to produce an heir. The intention seems to be to provoke thought on notions of fidelity, property and self-image. And so mythologist and illustrator Devdutt Pattanaik narrates the Ramayan, drawing attention to the many oral, visual and written retellings composed in different times by different poets, each one trying to solve the puzzle in their own unique way. This book approaches Ram by speculating on Sita—her childhood with her father, Janak, who hosted sages mentioned in the

The Ramayana, one of the world's greatest epics, is also a tragic love story. In this brilliant retelling, Chitra Banerjee Divakaruni places Sita at the centre of the novel: this is Sita's version. The Forest of Enchantments is also a very human story of some of the other women in the epic, often misunderstood and relegated to the margins: Kaikeyi, Surpanakha, Mandodari. A powerful comment on duty, betrayal, infidelity and honour, it is also about women's struggle to retain autonomy in a world that privileges men, as Chitra transforms an ancient story into a gripping, contemporary battle of wills. While the Ramayana resonates even today, she makes it more relevant than ever, in the underlying questions in the
