[Still Service Manual - STILL DIESEL / LPG FORK TRUCK -](#)

Diesel forklifts will almost always out-perform similar electric and LPG models. This can become even more noticeable when you add in gradients, towing work or when using a bucket for scooping aggregates. Ideal for the Outdoors—diesel forklifts, especially when compared to their electric counterparts, are the superior choice for outdoor situations. Unlike electric forklifts they can be used without worrying about rain or snow.
