Juz' Amma is the last of thirty equally divided sections of the Qur'an, and is comprised of its final 36 chapters (Surah 78 to Surah 114). Juz' Amma is named after its very first word ('amma / عَمَّ), and is the most popularly memorized section of the Qur'an due to its brief chapters and concise verses. This juz' was almost entirely revealed during the Prophet's ﷺ years in Mecca, and hence its narrative focuses on centralizing the Divine in the hearts of the believers, attaching their hearts to the events of the Last Day, and ingraining in them perseverance through trials and excellence of character.This commentary on Juz' Amma was transcribed then translated from the audio recordings of the late scholar and jurist, Shaykh Muhammad Salih al-'Uthaymeen. Its clear language and intertexual method (explaining the Qur'an with other Qur'anic passages) makes it an ideal resource for anyone seeking to better comprehend what they recite in prayer, develop their Qur'anic vocabulary, and become familiar with the fundamental principles of traditional Qur'anic exegesis.This book was compiled and published as curricula for Tajan Quran Institute (Allentown, PA, USA), but is perfectly suitable for self-study as well (in shā Allāh). All proceeds from its sales will go towards advancing the Qur'anic literacy of our students at Tajan.

Finally, here is a DUA book that packs many DUAs that you will need for your life's various situations. These include DUAs that ask Allah for the ease of one's difficulties, blessings for self and family, increase in Rizq (life's provisions), relief from anxiety and calmness in hearts and many more. This book contains specially selected DUAs (invocations and supplications to Allah) that are suitable for asking Allah for relief from burdens and difficulties and asking for success and happiness in this life and the hereafter. These DUAs are taken both from the Quran and Hadith of the Prophet (sallal-lahu Alaihi wasallam).

Ilyas & Duck search for Allah is an adorable storybook for kids about a boy's quest to find God. "Where is God?" is a question that any parent teaching their kids will one day have to answer. This book helps parents answer that question while conveying the profound mystery of it all in a fun way.
