Available for the first time as a complete novel--the serial from the New York Times bestselling author that explores the dynamics of power and sex between two people who set the rules of desire...only to shatter them. When unconventional hospice nurse Emma Shore secured a new position at the Breakers, the sprawling mansion of enigmatic and dangerously handsome racecar billionaire Michael Montand, she had no idea how soon she'd be drawn into his darker sexual games--or that it would be her own fantasies that would hold her captive. Michael knew he shouldn't have engaged such an innocent woman to share in his desires. But strong

sexual appetites and selfishness run in his blood. From Michael's luxurious lakeside home to the sun-drenched, sensual shores of the French Riviera, Emma submits again and again to his intoxicating power. But she knows there is only one way to protect her heart. The affair will continue, but under her conditions: Only she can end it, and when it's over, they will part and never speak again of the things they dared to do behind locked doors.

With Reacher, #1 New York Times bestselling author Lee Child has created "a series that stands in the front rank of modern thrillers" (The Washington Post). Everything starts somewhere. . . . For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared. A novel of unrelenting suspense that could only come from the pen of #1 New York Times bestselling author Lee Child, *The Affair* is the start of the Reacher saga, a thriller that takes
