Poirot, and The Back Passage is no Murder of Roger Ackroyd. Mitch is a handsome, insatiable 22-year-old hunk who never lets a clue stand in the way of a steamy encounter, whether it's with the local constabulary, or his schoolmate and fellow athlete Boy Morgan, who becomes his Watson.

Coinciding with what would have been Jimi Hendrix's 75th year on this mortal coil, this (incredibly) is the first full-blown illustrated gift book exploring the life and career of the man most consider the greatest rock guitarist of all time. Hendrix enjoyed the international limelight for less than four years, but his innovative and imaginative interpretations of blues and rock continue to inspire guitarists and music lovers across ages and genre. Inside, Seattle-based music journalist Gillian Gaar examines the guitarist's upbringing, his service as an Army paratrooper, his role as a sideman on the chitlin' circuit, his exile in the UK, and his eventual reemergence in the US and the fame that followed until his untimely death in 1970. Featuring design as lavish as Hendrix's music and carefully curated photography, posters, picture sleeves, and other assorted memorabilia, this is the ultimate Hendrix book experience.

Mitch Mitchell needs a vacation, and he is determined to make the most of his trip to the Mediterranean island of Gozo. Death never

takes a break however, and at the behest of fellow doctor Bob Southern, Mitch soon finds himself investigating the demise of a young, gay lance corporal. The police have ruled it a suicide, but the young man's boyfriend claims it was murder. Suspecting an official cover-up of a queer scandal, Mitch gets to work on an investigation that leads him into a labyrinth of lies, false identities and secret sex. With tension, humor and plenty of Mitch Mitchell's exuberant sexual encounters, *The Sun Goes Down* cranks up the Mediterranean heat for one of his most baffling and dangerous cases.

A Carnival of Killing finds newspaper reporter Warren "Mitch" Mitchell and photographer Alan Jeffrey searching for the killer of the St. Paul Winter Carnival's Klondike Kate in weather so cold that the flashers in a park downtown are only showing photos of themselves.

The Pulitzer Prize and Drama Critics Circle Award winning play. *A Streetcar Named Desire* is the tale of a catastrophic confrontation between fantasy and reality, embodied in the characters of Blanche DuBois and Stanley Kowalski. Fading southern belle Blanche DuBois is adrift in the modern world. When she arrives to stay with her sister Stella in a crowded, boisterous corner of New Orleans, her delusions of grandeur bring her into conflict with Stella's crude, brutish husband

Stanley Kowalski. Eventually their violent collision course causes Blanche's fragile sense of identity to crumble, threatening to destroy her sanity and her one chance of happiness.

The drummer of Hendrix's band recounts the years of the rock legend's creativity, the London club scene where he honed his craft, and the San Francisco hippie scene where he found his following

Presents the lives of poor African-American men who make their subsistence wages by selling used goods on the streets of Greenwich Village in New York; and discusses how they interact with passing pedestrians, police officers, and each other.

A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now

Get Free The Back Page Mitch Mitchell Mystery 1 James Lear

foe), aided by a young girl whose reserved nature obscures a stunning ability.

Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In *Vicious*, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one...highly recommended!" —Jonathan Maberry, New York Times bestselling author of *Marvel Universe vs The Avengers* and *Patient Zero* One of Publishers Weekly's Best Fantasy Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
