In his latest book, *The Business Owner's Definitive Guide to Captive Insurance Companies*, Peter J. Strauss explains that, by utilizing a captive insurance company, this is not only possible but also a lot easier than you might imagine. With this new book, Peter has created a must-have resource for all small business owners.

The Business Owner's...Guide to Captive Insurance Companies

One of the most important steps business owners take as they approach their business exits involves changing their roles within their businesses. Most business owners don't know how, or even flat-out refuse, to evolve from a hands-on, head-downowner into a hands-off, head-up owner.

The Definitive Guide to Business Owners' Changing Roles

As a business owner, you may also be required to invest some of your savings in the business as it grows. However, just as the personal sacrifices are usually short-term, so are the financial ones. You'll have some lean years, but when you're doing what you love, it will be worth it.

The Business Owner's Definitive Guide to Captive Insurance ...

Definition: A business owner is the legal proprietor of a business. An individual or group that owns the assets of a firm and profits from them. What Does Business Owner Mean? The owner can be the same person who directs the business and controls its day-to-day processes or he can choose to have a Manager for that purpose, or even name a Board of Directors to do it.

What is a Business Owner? - Definition | Meaning | Example

1. Review reward packages With an eye on the new 50 per cent personal income tax rate and the restriction of personal allowances already in place and the higher rates of Employee's National Insurance (NI) coming in from April 5, 2011, business owners should aim for a tax-efficient mix of salary, dividends, bonuses and benefits including share award schemes.
