Shelby Foote When the illustrated edition of The Civil War was published, The NY Time hailed it as "a treasure for the eye & mind." Ward's history "The Civil War defined us as what we are & it opened us to being what we became, good & bad things...It was the crossroads of our being, & it was a hell of a crossroads: the suffering, the enormous tragedy of the whole thing."

The Civil War: An Illustrated History by Geoffrey C. Ward

The English Civil War 'Illustrated Military History' first saw light of day as a Blandford Press publication in 1983 - and unlike some of its contemporaries has stood the test of time, being in and out of print ever since. It is perhaps best described as a 'medium weight' volume with

greater length and depth than an Osprey publication, but being considerably lighter than some of the academic works.

Mary Bowser and the Civil War Spy Ring: A Spy on History Book Paperback □ Illustrated, 2 April 2019 by Enigma Alberti (Author) 4.5 out of 5 stars 32 ratings

Portrays the lives of politicians, soldiers, and slaves during the Civil War

Portrays the lives of politicians, soldiers, and slaves during the Civil War

The "iron horse" became a major weapon in the first war fully dependent on railroads. Moreover railroads would escalate and prolong the war. Leavy provides a study of trains in the Civil War through photographs and a rich narrative.

Integrating excerpts from soldiers' diaries and letters, newspaper articles, archival photographs, drawings, maps, uniforms, and other ephemera and memorabilia, a richly illustrated study of Minnesota during the Civil War assesses the state's contributions to the Union cause and the personal experiences of the individuals who took part. Reprint.

With striking visuals from the Library of Congress' unparalleled archive, THE LIBRARY OF CONGRESS ILLUSTRATED TIMELINE OF THE CIVIL WAR is an authoritative and engaging narrative of the domestic conflict that determined the course of American history. A detailed chronological timeline of the war captures the harrowing intensity of 19th-century warfare in first-hand accounts from soldiers, nurses, and front-line journalists. Readers will be enthralled by speech drafts in Lincoln's own hand, quotes from the likes of Frederick Douglass and Robert E. Lee, and portraits of key soldiers and politicians who are not covered in standard textbooks. The Illustrated Timeline's exciting new source material and lucid organization will give Civil War enthusiasts a fresh look at this defining period in our nation's history.!--EndFragment--

A fully illustrated, accessible encyclopedic collection in an A-to-Z format of essays on every significant Civil War battle, with authoritative text prepared by the Civil War Society. Includes maps and archival illustrations and photographs.

"A great resource for students of the Civil War. The first half of this volume takes a day-by-day look at the events of the Civil War, looking at what was going on both politically and militarily across the Country on almost every day of the years 1861 - 1865. Following this is an

## Acces PDF The Civil War An Illustrated History Geoffrey C Ward

encyclopediac reference to all manner of Civil War-related topics. Most of the entries are brief, but it is a worthy starting-point at least."--Publisher's description.

In this account of the bloodiest war fought on American soil, Brooks Simpson recounts the events of the war from the opening salvo at Fort Sumter through the battlefields of Gettysburg and Shiloh to the Confederate surrender at Appomattox Court House. An Illustrated History of the American Civil War brings to life the realities of the war and the people who lived through it. It explains how the politics around slavery led to an unbridgeable divide between North and South and examines the strategies that led to the Union's eventual victory in 1865. Beautifully illustrated throughout, featuring an array of contemporary photographs, artworks and artifacts, it provides the perfect introduction to the tragic conflict.

Includes a chronological summary and record of every engagement compiled from the official records of the War Department.

Photographs, correspondence, newspaper clippings, and maps create a personal history of the Civil War, noting important battles and military leaders, the role of women and children, and the reality of war and slavery.
