Overview. The Financial Aid Handbook is the only book families need to find the right college at the right price. This completely revised, up-to-date edition builds on the success of the original—the definitive, one-stop guide to the college selection and payment process, covering everything from basic timelines and tuition costs to predicting your scholarship award from colleges and taking ownership of student debt after graduation.

Financial Aid Handbook, Revised Edition: Getting the ...

This Financial Aid Handbook is revised at least once yearly, and is made available through the online Financial Aid portal where students apply and view their awards. This handbook should be used in conjunction with the GSD website, gsd.harvard.edu . Paper copies may also be available upon request through the GSD Office of Student Services.

The Financial Aid Handbook is the only book families need to find the right college at the right price. This completely revised, up-to-date edition builds on the success of the original--the definitive, one-stop guide to the college selection and payment process, covering everything from basic timelines and tuition costs to predicting your scholarship award from colleges and taking ownership of student debt after graduation. Updated to reflect the most recent changes in federal processes and timelines and including new chapters for undocumented and homeless students, this revised edition is a must-have for high school students and their parents. The Financial Aid Handbook features straightforward language, engaging explanations, and hundreds of tips to maximize your financial aid--the scholarship funds that come from colleges themselves. No other book on the market teaches students and parents how to find real, four-year scholarships...and how to land them. It includes: The nine biggest myths about paying for college. A step-by-step guide to completing the FAFSA and PROFILE. The ultimate guide to federal, state, and private student loans. How to predict scholarship dollars with the Merit Aid Profile. How to negotiate with the Financial Aid office.

College costs are continuing to rise, with a four-year private school averaging \$22,218 and a four-year public school averaging \$5,836 for the 2006-07 school year. The good news is that more than \$134 billion in financial aid is available. The Scholarship & Financial Aid Handbook will show you how to earmark some of that money for your college education, ensuring that you will be able to afford a higher education.In this book, you will learn about the different types of scholarships, including those based on academics, awards, honors, leadership, test scores, extracurricular activities, majors, community service, volunteer work, essays, financial aid, minority status, even some unusual ones. You will learn how to determine your eligibility for these scholarships, as well as how to enlist the help of your parents, how to recognize and avoid scholarship scams, how to create a r ésum é, how to ask and who to ask for letters of recommendation, how to ace interviews with scholarship committees, and how to prepare for your interview. Additionally, you will discover where to look for scholarships, from your school to local organizations, businesses, and online. You will be provided with tips on filling out applications and tips for writing essays, as well as how to alter your essays for multiple uses. Also included are possible essay topics, sample interview questions, and information on state grants, FAFSA, and work study. The Scholarship & Financial Aid Handbook is intended to be a guide for students, parents, and school personnel to assist students in finding and obtaining scholarships. The author uses her years of experience and exhaustive research to help you benefit from scholarships. Even if you do not have above average grades, participate in lots of extracurricular activities, or have an abundance of extracurricular activities, you can find money to go to college. Just read this book and apply the techniques found within.

Make sense of college admissions and prepare a successful application Admission Matters offers comprehensive, expert, and practical advice for parents and students to guide them through the college admissions process. From building a college list, to understanding standardized tests, to obtaining financial aid, to crafting personal statements, to making a final decision, this book guides you every step of the way with clear, sensible advice and practical tips. This new fourth edition has been completely updated to reflect the latest changes in college admissions, including new developments in standardized testing, applications, financial aid and more. Questionnaires, interactive forms, checklists, and other tools help you stay focused and organized throughout the process..

With the answers you need and a down-to-earth perspective, this book provides an invaluable resource for stressed-out students and parents everywhere. Applying to college can be competitive and complex. Admission Matters offers real-world expert advice for all students, whether you're aiming an Ivy or the state school close to home. It also includes much needed guidance for students with special circumstances, including students with disabilities, international students, and transfer students. In addition, athletes, artists and performers, and homeschoolers will find valuable guidance as they plan for and apply to college. Understand how the admissions process works and what you can and cannot control Learn how to build a strong list of good-fit colleges Craft a strong application package with a compelling personal statement Get expert advice on early admissions, financial aid, standardized testing, and much more Make a final decision that is the right one for you Whether you think you've got applying to college under control or don't even know where to begin, Admission Matters is your expert guide throughout the college admissions process.

Updated for 2012-2013, How You Can Maximize Student Aid explains the components that determine federal student aid, the better places to save, and what you should think about come tax time. The goal is to maximize aid while keeping assets accessible, growing with tax benefits. A mistake on the FAFSA can result in loss of several thousands of dollars in aid. This valuable reference guide will provide you with new ideas and help you prioritize, whether you are saving for a newborn or if college is looming just around the corner.

Figuring out how to pay for college can be daunting. Fortunately, Strategies for Maximizing Your College Financial Aid provides much-needed expert advice for understanding the financial aid process, managing student loans, and getting the most money for college. In this succinct guide, financial aid consultant Kai Chany and the experts at the Princeton Review present a concise but comprehensive overview of college financial aid. Inside, you ' ll find guidance to demystify the aid process, and information that will help you: - debunk financial aid myths - figure out financial aid terminology - evaluate financial aid packages and awards - understand grants, scholarships, student loans, work-study, and other forms of aid - fill out the FAFSA (Free Application for Federal Student Aid), CSS/PROFILE, and other financial aid forms - choose a college with financial aid in mind - get started on saving for school

This bestselling guide gives families at every income level the information they need to know about paying for college. Revised and updated annually, the guide provides detailed facts and figures on undergraduate costs and scholarships at more than 3,100 colleges, plus an IBM-compatible disk that assists in estimating a family's college costs and financial aid needs.
