A striking first novel about the dark side of the American Dream Suzy Park is a twenty-nine-year-old Korean American interpreter for the New York City court system. Young, attractive, and achingly alone, she makes a startling and ominous discovery during one court case that forever alters her family's history. Five years prior, her parents--hardworking greengrocers who forfeited

personal happiness for their children's gain--were brutally murdered in an apparent robbery of their fruit and vegetable stand. Or so Suzy believed. But the glint of a new lead entices Suzy into the dangerous Korean underworld, and ultimately reveals the mystery of her parents' homicide. An auspicious debut about the myth of the model Asian citizen, *The Interpreter* traverses the distance between old worlds and new, poverty and privilege, language and understanding.

The award-winning author of *The Interpreter* traces her experiences as an English teacher to the sons of North Korea's elite during the last six months of Kim Jong Il's

Translations of Beauty maps the tender yet tumultuous relationship of twin sisters Inah and Yunah, from their early years in South Korea to their coming-of-age in Queens, New York. At the heart of the narrative -- told from Yunah's intimate, engaging point of view -- is an unforgettable event from their childhood: an accident that disfigured Inah for life, and the overwhelming sadness and guilt Yunah feels at having been spared. Now that Inah and Yunah are adults, each in search of her own identity while trying to remain true to

traditional family values, they must find a way to negotiate their past and become the people they dare -- and dream -- to be.

Emotionally charged and thought-provoking, *Translations of Beauty* is an insightful saga of the immigrant experience that will resonate with all readers.

The debut novel from critically-acclaimed and New York Times–bestselling author of *On Such a Full Sea* and *My Year Abroad*. In *Native Speaker*, author Chang-rae Lee introduces readers to Henry Park. Park has spent his entire life trying to become a true American—a native speaker. But even as the essence of his adopted country continues to elude him, his Korean heritage

seems to drift further and further away. Park's harsh Korean upbringing has taught him to hide his emotions, to remember everything he learns, and most of all to feel an overwhelming sense of alienation. In other words, it has shaped him as a natural spy. But the very attributes that help him to excel in his profession put a strain on his marriage to his American wife and stand in the way of his coming to terms with his young son's death. When he is assigned to spy on a rising Korean-American politician, his very identity is tested, and he must figure out who he is amid not only the conflicts within himself but also within the ethnic and political tensions of the New York City streets. Native Speaker

is a story of cultural alienation. It is about fathers and sons, about the desire to connect with the world rather than stand apart from it, about loyalty and betrayal, about the alien in all of us and who we finally are.

Vishnu, the odd-job man in a Bombay apartment block, lies dying on the staircase landing. Around him the lives of the apartment dwellers unfold - the warring housewives on the first floor, the lovesick teenagers on the second, and the widower, alone and quietly grieving at the top of the building. In a fevered state Vishnu looks back on his love affair with the seductive Padmini and comedy becomes tragedy as his life draws to a

An unflinching portrayal of the Korean immigrant experience from an extraordinary new talent in fiction. Spanning Korea and the United States, from the postwar era to contemporary times, Kryss Lee's stunning fiction debut, *Drifting House*, illuminates a people torn between the traumas of their collective past and the indignities and sorrows of their present. In the title story, children escaping famine in North Korea are forced to make unthinkable sacrifices to survive. The tales set in America reveal the immigrants' unmoored existence, playing out in cramped apartments and Koreatown strip malls. A makeshift family is fractured

when a shaman from the old country moves in next door. An abandoned wife enters into a fake marriage in order to find her kidnapped daughter. In the tradition of Chang-rae Lee's *Native Speaker* and Jhumpa Lahiri's *Interpreter of Maladies*, *Drifting House* is an unforgettable work by a gifted new writer.

Taking up a neglected area in the study of the crime novel, this collection investigates the growing number of writers who adapt conventions of detective fiction to expose problems of law, ethics, and truth that arise in postcolonial and transnational communities. While detective fiction has been linked to imperialism and constructions of

race from its earliest origins, recent developments signal the evolution of the genre into a potent framework for narrating the complexities of identity, citizenship, and justice in a postcolonial world. Among the authors considered are Vikram Chandra, Gabriel García Márquez, Michael Ondaatje, Patrick Chamoiseau, Mario Vargas Llosa, Suki Kim, and Walter Mosley. The essays explore detective stories set in Latin America, the Caribbean, India, and North America, including novels that view the American metropolis from the point of view of Asian American, African American, or Latino characters. Offering ten new and original essays by scholars in the field, this volume

highlights the diverse employment of detective fictions internationally, and uncovers important political and historical subtexts of popular crime novels.

Nora Okja Keller, the acclaimed author of *Comfort Woman*, tells the shocking story of a group of young people abandoned after the Korean War. At the center of the tale are two teenage girls—Hyun Jin and Sookie, a teenage prostitute kept by an American soldier—who form a makeshift family with Lobetto, a lost boy who scrapes together a living running errands and pimping for neighborhood girls. Both horrifying and moving, *Fox Girl* at once reveals another layer of war's human detritus and the
