Supernatural Thriller – Book
11 This story isn't one of
my favorites. The story was
surrounded by lies, upon
lies, terrible deaths and
deception, slow moving and
sometimes confusing with who
really was who. Nate

**Legend (The Temple

Silvers**

Nate Temple, outwardly a

womanising extremely wealthy young man, but all is not quite what it seems. There's a great deal of humour amidst the action, magic and mayhem. The characters are larger than life, realistic (apart from the wizard and

appealing. A really
refreshing difference to the
typical tale in this genre.

INTERVIEW WITH THE AUTHOR:

Acces PDF The Nate Temple Supernatural

Q: So, what makes the Nate Temple series special? A: I wanted to write a series of stories that mirrored the **Boxset Book 2** I liked to read in my childhood. My top picks were usually urban fantasy, paranormal best sellers, and

Acces PDF The Nate Temple Supernatural

of course, books featuring
your classic gritty, pulp-
fiction heroes. Basically,
anything with a lot of
creepy crawly supernatural
characters: mythical
creatures, ancient heroes,
super villains, and gods.

Acces PDF The Nate Temple Supernatural

You will find that my
stories focus on the ancient
myths, characters, and
stories we all know, fear,
and love. Then twist them up
and toss them back like an
empty beer can. Q: What
order should I read the

Acces PDF The Nate Temple Supernatural

books in? A: I've written
the series with the intent
that they should be read in
order to get the full effect
of the bigger picture;
however the stories can be
read in any order if you are
looking for a quick, fast-

Angels, Demons, Greek
Legends, Wizards,
werewolves, and a whole slew
of other supernatural
