Every parent and teacher wants to see their children make good choices, grow in wisdom, and learn how to live a God-honoring life. But Christian parents know that teaching good morals isn't enough. Kids (and adults) need gospel power in order to "wise up!" Christians through the centuries have used the book of Proverbs to teach children the godly wisdom needed to navigate their everyday lives. Wise Up, by author and family pastor Marty Machowski, is a two-part discipleship resource geared to help children grown in the true wisdom that is only found in Christ. Wise Up offers two separate discipleship tools. The first product, a twelve-week curriculum and companion music album is designed to connect the teaching of Proverbs to God's larger story of salvation. Children will learn that Solomon's wisdom, life, and failures all point to "something greater than

Solomon"—they point to Jesus. The goal of this curriculum is to present the wisdom of Proverbs against the backdrop of the gospel to show children that real wisdom comes only as we depend on Jesus for daily help and forgiveness. Each lesson includes Bible reading, discussion questions, object lessons, a fun activity, and songs for families from the Walking with the Wise music CD by Sovereign Grace music. This curriculum includes three learning levels—preschool and kindergarten (ages 4–6), elementary (ages 6–9), and middle school (ages 10–12). Also available in this series is the companion family devotional, *Wise Up: Ten-Minute Family Devotions in Proverbs*, which will help make learning the truths of Proverbs fun and memorable for the whole family. Each compact session features Bible reading, discussion questions, a fun activity, and a song to keep children engaged in making gospel-motivated good choices. Each wisdom theme in *Wise Up* is carefully and repeatedly connected to the good news of Jesus's life, death, resurrection, and coming return. *Wise Up* moves families beyond the practical wisdom of Proverbs to connect the teaching of Solomon to God's larger story of salvation.

Teaches students about God through the stories and activities centered around the lives of major Bible characters. Designed to challenge the student's heart and his head.

Exposing the evil in government, the country, and churches, Diel also suggests ways to correct the situation, improve life in general, and bring unity to the faith. (Practical Life)

Want Wisdom, Wealth, Peace and Joy?...Wise Up! is a heartfelt daily reflection on the entire book of Proverbs that makes the deeper meaning of each proverb easy to read and understand!

Wise Up! invites the reader to step up to the divine customer service desk and exchange self-sufficiency, self-absorption, self-indulgence, and self-protection for the four virtues of biblical wisdom: the fear of the Lord (faith), the listening heart (compassion), the cool spirit (self-discipline), and the subversive voice (moral courage). An invaluable resource for personal devotion, small group study, and sermon series, Wise Up! is a spiritual manual for navigating the twists and turns of an unpredictable life. The author mines the riches of the Bible's wisdom literature from Proverbs, Job, Ecclesiastes, and the short sayings of the synoptic Jesus. The result is four guiding virtues that can keep our feet from stumbling on the journey to wisdom through the thorniest of paths. McKenzie, the author of several popular books for both clergy and laity, places her profound knowledge of biblical wisdom in conversation with the absurdities, pains, and joys of our everyday lives. She invites wisdom down from the pedestal to accompany the reader on his or her daily rounds. Reading this book, at the same time, soothes the soul and troubles the conscience. It deepens faith, fires compassion, cools destructive desires, and nudges the sleeping conscience awake.

future of learning. The new sciences of brain and mind are revealing that everyone has the capacity to become a powerful, lifelong learner. We can all learn how to learn; it has little to do with conventional intelligence or educational success. Guy Claxton teaches us how to raise children who are curious and confident explorers, and how we ourselves can learn to pair problem-solving with creativity. 'Wise-Up' is essential and compelling reading for parents, educators and managers alike. Guy Claxton is Visiting Professor in Psychology and Education, and Director of the Research Programme on Culture and Learning in Organisations (CLIO), at the University of Bristol. He is the author of thirteen published books.

In the kingdom of ME-dom, ruled by King Surly, cruelty and rivalry are the accepted laws for living. The ME-domites are impolite, irritable, and self-seeking. King Surly charges his most loyal soldiers, PRIDE and ANGER, with the task of keeping the ME-domite FOLKS confused and dependent. Exasperated with wickedness, sixteen-year-old ENVOY MESSENGER risks escaping his deep-rooted, brain-washed values of evil as he ventures on an uncertain quest, seeking wisdom. ENVOY feels a desperate calling to discover how the ME-domites can be delivered from worshipping the Idol of Jealousy and be set free from selfishness and pride. If achieved, this discovery would destroy the missions of PRIDE and ANGER. ENVOY'S journey steers him towards a life-changing encounter with PROVIE, the Lady of Wisdom. PROVIE escorts ENVOY through transforming confrontations as she points the WAY to the FOLKS of ME-dom towards righteous living. Based on the book of Proverbs, the allegorical tales in
