facts about the lives and  
challenges of  
endangered species.

Can we save  
endangered species?

Yes, we can! The  
environment is  
constantly changing.  
People are building  
roads, houses, bridges,  
and cities. This  
development has  
damaged the natural

# Get Free Will We Miss Them

habits of many native organisms. In this important book readers are introduced to a variety of these endangered species. Engaging text and stunning illustrations highlight the plight of these animals and plants and suggest ways to help restore their natural environments. From the beautiful cui-ui to the

# Get Free Will We Miss Them

Puerto Rican parrot,  
readers will begin to  
understand how each  
living species contributes  
to our planet and how  
we can strive to save  
each of them.

From the author of the  
#1 New York Times  
bestseller *She Persisted*  
comes a beautiful book  
about the animals who  
share our planet--and

# Get Free Will We Miss Them

what we can do to help them survive. Did you know that blue whales are the largest animals in the world? Or that sea otters wash their paws after every meal? The world is filled with millions of animal species, and all of them are unique and special. Many are on the path to extinction. In this book, Chelsea Clinton

# Get Free Will We Miss Them

introduces young  
readers to a selection of  
endangered animals,  
sharing what makes  
them special, and also  
what threatens them.

Taking readers through  
the course of a day,

## Don't Let Them

Disappear talks about  
rhinos, tigers, whales,  
pandas and more, and  
provides helpful tips on  
what we all can do to

# Get Free Will We Miss Them

help prevent these animals from disappearing from our world entirely. With warm and engaging art by Gianna Marino, this book is the perfect read for animal-lovers and anyone who cares about our planet. Praise for Don't Let Them Disappear: "A winning heads up for younger readers just becoming

# Get Free Will We Miss Them

aware of the wider  
natural world." --Kirkus

Reviews "An inviting . .

. appeal to care for the

planet and its most

vulnerable creatures."
