Yanmar 6LY3-ETP marine diesel engine 480hp - French Marine ...
Yanmar replaced motor with a 24 valve unit to help issue. These engines were known as throwaway bombs. They have tempered Aluminum cylinder walls no re-bore possible very high heat at exhaust valves and typical installation has poor exhaust geometry which makes problem worse. The engines can be useful if original vales changed out and run very carefully and under loaded with particular care ...
